£15 per person including lunch.

***NEW TWILIGHT* SESSION**

Thursday 9 Feb:
5-6.30pm
**Effective
communication**

Top tips and strategies to enable the individual with hearing loss to communicate effectively. Including a session on managing noise sensitivity.

Saturday 3 June

10am-2.30pm

Telephone training

A day exploring the issues individuals with a hearing loss may face when using phones. Useful tips and strategies will be shared as well as practical sessions to enable you to put this to the test on the day.

Saturday 15 July

10am-2.30pm

Music

Come and join us for our music workshop. Discuss and share experiences around the common issues related to music and hearing loss. Practical support to learn how to enjoy music with your hearing technology.

Saturday 16 September

10.30am-3pm

Technology Day

A day discussing the latest technology for hearing loss as well as a chance to meet the manufacturers. Includes the opportunity for CI users to 'bring along their box' for support in making the best use of their technology.

TWILIGHT SESSION

Thursday 11 October

5.30-7pm

Lipreading

£5 per person including tea/ coffee

Come along and find out more about lipreading with qualified local tutor Kathie Price. The session will provide a solid introduction to the topic for beginners or those wishing to refresh their knowledge with practical tasks to provide confidence in your new skills.

Saturday 18 November

10am-2.30pm

What am I entitled to?

Find out more about the support available for those with a hearing loss. Come and join us to find out more about this topic with experienced speakers, with the chance to ask questions .

If you would like to attend any of these sessions or would like more information, please contact: sarah.allen@earfoundation.org.uk or call 0115 942 1985.
